~~SECURITY INFORMATION~~

20 October 1952

TO : AD/RR
Attn: [REDACTED] 25X1A9a

FROM : [REDACTED] 25X1A9a

SUBJECT: Request for Photographs

1. Reference is made to your letter of 8 October and the photographs transmitted therewith. The photographs were received on 14 October, which would seem to indicate a much shorter than usual time in transit.

2. The photos have proven extremely useful, and [REDACTED] is most appreciative for your cooperation in making them available. It was found on examination, however, that no prints from Roll 2 for [REDACTED] were received. Will you please determine if this particular roll was defective or if the prints in question were omitted through oversight? If possible, we would still like to have 2 properly annotated prints of each photo on Roll 2.

3. The photographs which you sent were duly cleared through the office of the [REDACTED] in [REDACTED] in accordance with paragraph 2 of your letter. It would seem, however, that if the undersigned is in fact to act as [REDACTED] coordinator for EIC interests (not merely CIA interests) in the [REDACTED] he should expect to request and receive material from Washington already cleared by the EIC agencies for use in the joint program.

NOTE FROM [REDACTED] 25X1A9a

"I agree with Paragraph 3 and feel coordination is futile if we must clear here for release."
